

# SAFETY

*Pathfinder Level*

## Purpose

To become aware of the responsibility God has given us in caring for ourselves and others.

## Exploring

There are many places where safety is needed. You will explore many of these situations to sharpen your senses in recognising an unsafe situation before it creates a hazard to anyone or to anything.

### Home Safety

Many accidents occur around the home such as: falls, poisoning, fires, burns, electrocution etc.

### Road Safety

An important area where we need to be alert to dangerous situations. We need to obey the **road laws** (made for our protection) in the car, on the bicycle or as a pedestrian.

### Sport Safety

Most sports have rules designed to protect participants and spectators from injuries.

### On the Job Safety

Care must also be taken when using: ladders, power tools, saws, chisels etc.

By using **safety rules** or **safety practices** we will be caring for the lives and possessions of everyone.

## Doing

1. Make a **safety** poster including as many of the safety subjects mentioned as possible.
2. Prepare a **safety** check list for your home. It should include the following items:

## SAFETY CHECKLIST

**Reflection**

You have now seen how important it is to look after your own safety as well as the safety of others. God gives us the responsibility to be caretakers of His creation. Discuss with your Counsellor how you can obey God’s will in caring for His world.

The ‘Builder’ section has a more comprehensive badge on Fire Safety. You may want to do this badge for your next rank.

Ask your Counsellor to sign below and arrange for the presentation of your badge.
