

COIN COLLECTING

Builder Level

Purpose

An interesting hobby that teaches you about history, economics, art and geography.

Exploring

1. Write the meaning of each of the following coin collecting terms.

Uncirculated

Very fine

Fine

Very good.....

Good

Poor.....

Face Value.....

2. Purchase a Coin Catalogue if you do not already have one.

What types of information does the Catalogue contain

.....

What is a Mint

Where are coins minted in Australia

Doing

Do one of the following projects.

- a. Collect and mount one denomination of coins (example: cents since decimal currency).
You should have at least $\frac{3}{4}$ of a complete set.
- b. Complete a collection of at least 150 total coins to include:
 - 25 different foreign coins from at least five countries.
 - One complete set of Australian coins of the same year.
