

# FLY TYING

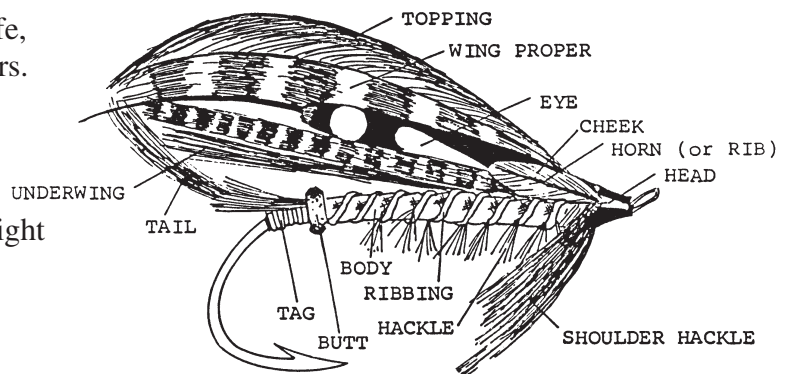

All Levels

## Purpose

To help you explore an interesting hobby and to make you more self-reliant in using your God-given talents by making your own equipment.

## Exploring

1. Make an attractive title page in your project book (you could use the illustration under item 2, and list the following **equipment**.
  - Fly-Tyer's Vice. A vice to hold the fish hook securely while tying the fly.
  - Hackle Pliers. Pliers for holding the feathers and delicate pieces of material during the winding operation.
  - Scissors, flat tweezers, dubbing needle, hook hone, sewing needles anchored in wooden handles, Stanley or hobby knife, spool or thread holders.
2. Parts of the fly
3. Draw the fly on the right (naming all the parts) as a separate insert.

## Doing

If your Counsellor is not an expert in *Fly Tying* it is best to purchase a kit from a good fishing tackle or sporting goods shop and follow the enclosed instructions.

1. Tie five different flies and list them below.
