WHAT IS CHRISTIAN CADETS?

WHAT HAPPENS AT a Cadet meeting? Lots of things! You will probably start with Bible discussion... discovering what God's Word has to say about the things you do every day. Then comes activities like badge work, crafts and games. This might be the meeting you will be planning an overnight camp-out or a Christian service project. Or maybe it will be gym night.

Whatever goes on, your counsellor will be right in there with you. He's a great guy, and he has an important reason for being there. He wants to help you learn more about God, about yourself and about the world around you.

This book will help to guide you through that exciting adventure called

Christian Cadets.

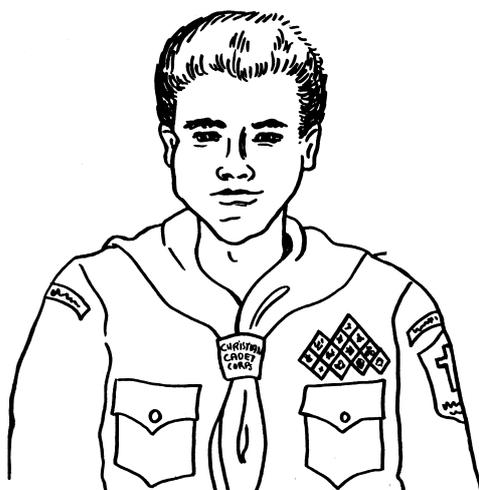

WHAT'S IT LIKE?

What's it like to be a cadet? What would you do? You'll do a lot of exploring. The Merit Badges and Rank Requirements will take you to...

- the Bible • science • sports
- where you live • hobbies • citizenship
- the bush • growing up • crafts

Soon you will begin to discover how God is at work in your life.

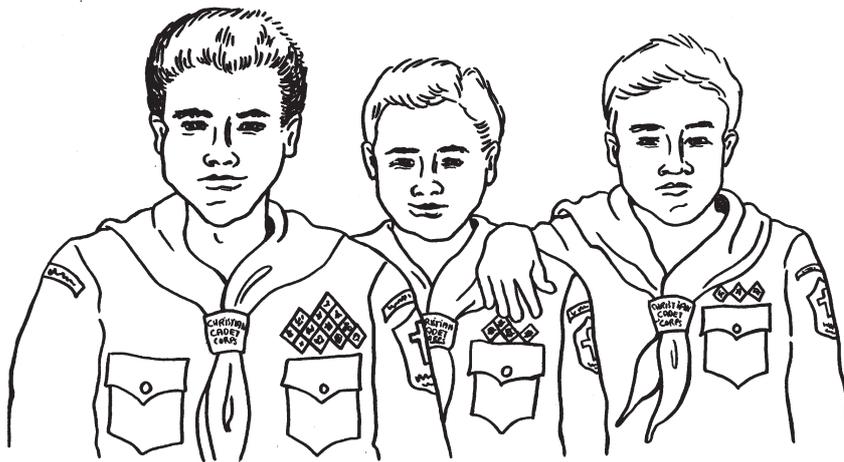

'GOD AND I'

You are a special person. No one looks quite like you. No one is quite like you. Yet, you were made in God's image. Your Counsellor will tell you what that means.

God has also given you special talents. He has a plan for your life. You begin to discover that plan when you believe that when Jesus died on the cross, He did it to save you from sin and give you a new life. Part of that plan

is to develop those talents so you can serve God and the world around you.

Your Counsellor wants to help you see God working that plan out in your life.

GOD AND US

Have you met the other boys in your **Group**? If not, you soon will. Even though you are all different, you will be learning how to work and play together. You will also be learning how God wants you to act toward each other.

God uses other people to help us grow. We learn to help each other and to be patient. We have a great time exploring together. You can do some things better than the other boys in your group. They can do other things better than you.

You will discuss God's Word together. You will discover that God is there with you.

GOD AND HIM THROUGH ME

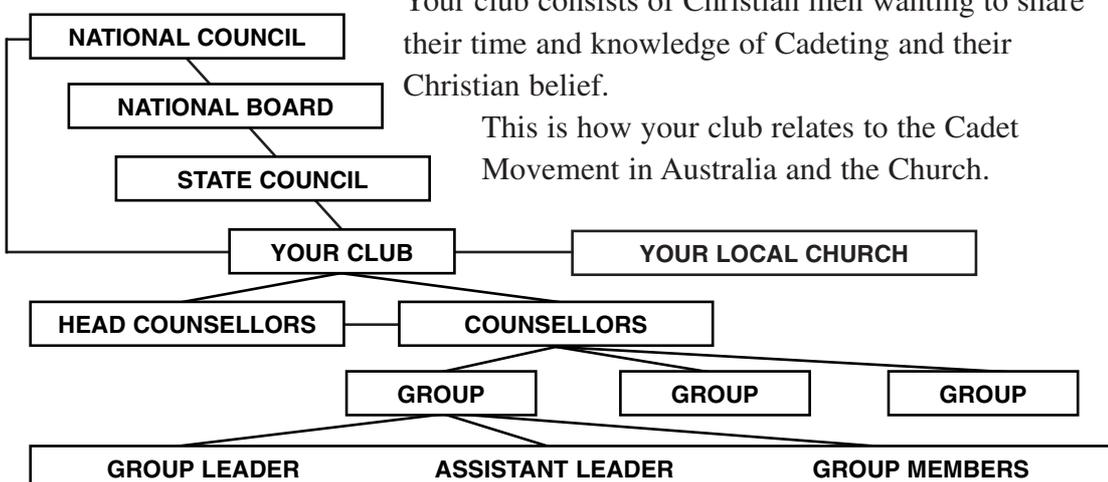

There are boys in your neighbourhood who haven't had the chance to hear about God. You can invite them to Cadets.

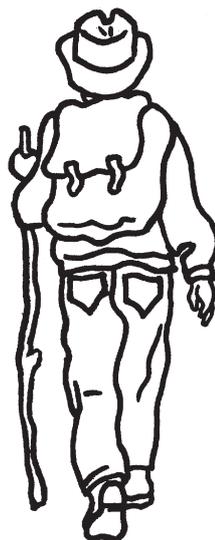

Part of God's plan is to reach others: through you. Welcome new boys to your Club. Show them what you are doing. Help them explore so they too, can discover God at work in their lives.

YOUR CLUB

Your club consists of Christian men wanting to share their time and knowledge of Cadeting and their Christian belief.

This is how your club relates to the Cadet Movement in Australia and the Church.

Some of the things you will be doing and learning are:

Opening Assembly

You will come together as a club to open with prayer. Then you will salute the flags (Australian and Cadet flag) and recite your pledge to the Australian flag, followed by reciting your aim and verse.

In your individual groups you will do many of the following:

Bible Studies

To see God's relevance and purpose for your daily life.

Badgework

Badges are awarded by completing set tasks on the chosen badge.

Rank Stripes

Stripes are awarded when levels are achieved as set out in the Cadet book.

Games

These are held as a group, club or Statewide.

Camps

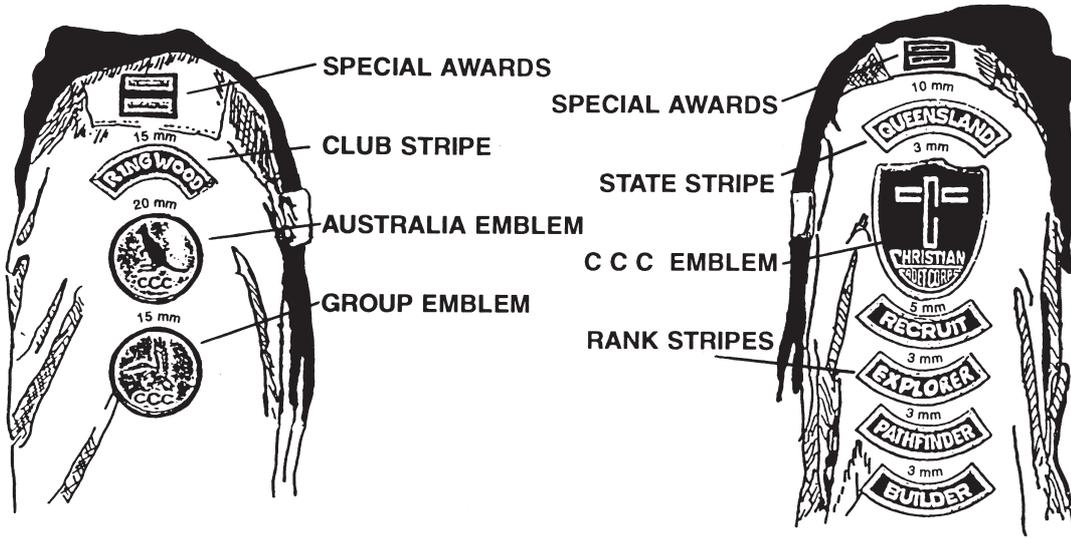

You will experience the great outdoors with other Cadets and Counsellors.

The Unknown

Your Counsellor will always be thinking of new things to see and do, e.g. swimming, hiking, outings and excursions, skating, canoeing, bowling etc...

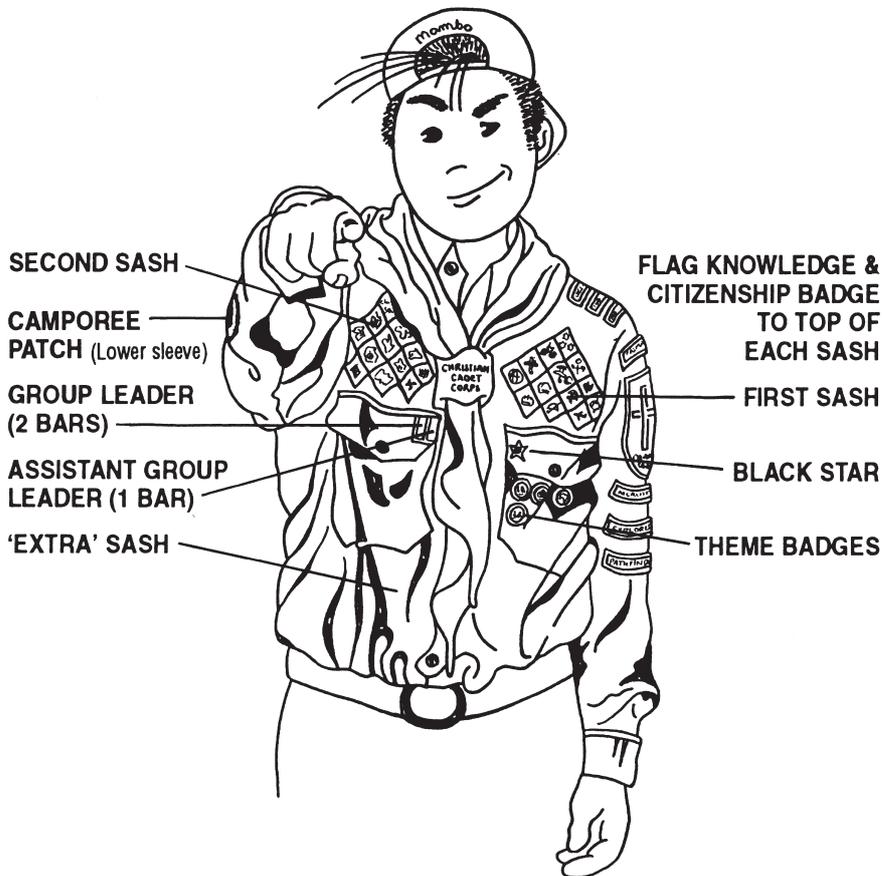

But most of all you will be having F U N !

CADET LANDMARKS

You are now about to take your first step along the trail of **Cadeting**. These Landmarks will help to guide you through each adventure.

Landmarks should be easy to recognize. They should mean something. They should also be easy to remember. As you explore the Cadet Trail, keep looking for these Landmarks. Know them, and know what they mean. They will help you discover how God is working in your life.

Emblem

The three Cs in the centre of the shield have special meaning. Not only do they represent the Christian Cadet Corps name... they form a cross, This reminds us that God's Son, Jesus Christ, died on the Cross for our sins. This is your first Landmark. Talk about it with your Counsellor.

Motto

'Living for Jesus'

Jesus died on the cross for your salvation. Have you discovered that? If so, you will want to say 'thanks' by the way you live. Living for Jesus will become your motto. This is your second Landmark.

Hymn

What does it mean to 'Live for Jesus'. The words of your Cadet Hymn will help you to understand. Learn at least the first verse. Sing it often. This is your third Landmark.

CADET HYMN

Verse

'If you love Me, you will obey what I command.' John 14: 15

This Landmark takes us to God's Word, the Bible. God gave us this book to learn what He has done for us... what He wants for our lives. We discover that God really loves us. He sent His own Son to die for us. Do you love God? Then you will want to live for Jesus... To obey what He commands. This is our fourth Landmark.

Pledge to the Cadet Flag

Thankful to God for His gifts to me, I pledge myself to be ready to serve God, my parents and Counsellors and cheerfully apply myself to all Cadeting activities. The Pledge to the Cadet Flag helps you to understand what is expected of you in response to the love that God has shown you as well as your role as a member of the Christian Cadet Corps. This is your fifth Landmark.

Pledge to the Australian Flag

I will love God and my country, I honour the flag, I will serve the Queen, and cheerfully obey my parents, teachers and the laws.

Our first love must always be God, as He is the one that has given us everything including the country we love and our parents, teachers and government that we promise to obey. This is your sixth and final Landmark.

Memorize each of your **Landmarks** to complete your **Recruit** requirements. You will use them again and again.

HOW TO USE THIS BOOK

This manual is designed to help you and your Counsellor in working through the ranks of Cadeting with the use of Merit Badges.

The badges have notation of rank. This means that an **Explorer Level Badge** is used by a Recruit to reach his Explorer rank, **Pathfinder Level** is used by Explorers to work for his Pathfinder rank and **Builder Level** is used by Pathfinders in the same manner. Once the Builder rank has been obtained, the Builder uses Guide Trails to attain the Ranks of Guide, Right Star Guide and Advanced Guide.

All Levels Badges can be used to help you reach any rank from Explorer to Builder and you can do extra badges in one year if you wish. Extra badges do **not** help you to obtain another Rank. Only **one** Rank is achieved in any one year.

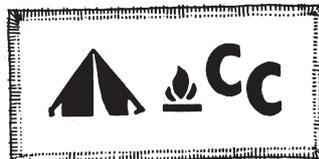

Explorer Level badges cannot be used in working for Pathfinder or Builder, and **Pathfinder** badges cannot be used by Pathfinders to reach Builder Level. All badges have been graded in degree of difficulty to suit the specific rank.

Have lots of fun doing your badge work and in your Cadeting. When you have completed all ranks we hope that you will feel the desire to remain in Cadeting as one of our Counsellors. Happy Cadeting!
