The NCCC Board is prepared to assist in equalising the cost of attending the conference for all Counsellors. In this regard the Conference Fees will be the same for all attendees at \$220.00. However the Board is prepared to reimburse travel costs for all interstate travellers, up to the full value of air tickets if necessary. We make this offer on the basis that each Counsellor prayerfully considers how much assistance he needs to make his attendance affordable.

We also encourage Counsellors to seek assistance with their Conference Fees from their local churches.
